

# Our Vision

Liverpool Women's...  
delivering world class care for women and  
their babies

# Our Aims

- We shall deliver clinical excellence in all our services
- We shall deliver strong financial performance necessary to continually invest in services
- We shall ensure all patients have a positive experience in our care
- We shall be the provider of 1<sup>st</sup> choice for women and their families
- We shall promote our status as a premier University Teaching Hospital and Centre for Research
